

# DROP-IN CEILING SPEAKERS

Now available in  
Bright White ("U" versions)  
& Off-white

**CSD1X2NB,  
CSD1X2NBVR**

## Drop-In Ceiling Speakers

Bogen's **Drop-In Ceiling Speakers** are full-range loudspeakers that allow fast and simple installation, which saves time, effort, and cost. Depending on whether your ceiling grid is 2' x 2' or 2' x 4', the speaker can be dropped directly into place or by simply making a single cut to the ceiling tile, placing the tile support rail and then inserting the speaker into position.

### CSD2X2/VR Features:

- Fully enclosed, industrial grade steel construction
- 8" main cone with secondary high-frequency cone; 10 oz. magnet weight
- 4-watt, 70V/25V transformer
- 4, 2, 1, 1/2, & 1/4-watt tap settings; selectable by rotary switch
- Plenum-rated – meets requirements of UL standard 2043 for smoke and heat release (report available online)
- Tile support rail for 2' x 4' ceilings included
